Subject: Thanks for Guest Lecture

Dear Sir,

On behalf of Sanjivani Arts, Commerce and Science College, I would like to thank you for Guest lecture on Tuesday, December 26th, 2017. Your talk on "***Scope and Opportunities in Microbiology"*** was the most well attended of our staff and students are still talking about it. It was an honor for the college to be able to hear your ideas.

The feedback from this lecture was extremely positive. All responses were enthusiastic about the content and the overall quality of the lecture, and we had great feedback on your presentation.

Once again, thank you for sharing your topic knowledge and helping to support the students.

Thanking You

Very sincerely

has been actively involved as Resource Person in the State Level MicrobioLogical Contest and Microbiolympiad, a continuous activity since 2001. We recognized your substantial role and active involvement with continuous encouragement to students in this state level grand event.

Indicatively, the preparation of Microbiolympiad entailed your mentoring, guiding and counseling to students for enhancing the competitive alertness, involving the budding microbiologists and biotechnologists in relevance of life science, and facilitating students' ability to apply the biological principles and helping them to understand and appreciate the nature and function of microbes.

The 17th State Level MicrobioLogical Contest was conducted on 9th January 2018 at 82 centers all over Maharashtra. Your active involvement as Coordinator/Member at your College Center was remarkable. We offer a special gratitude to you for identifying and addressing the needs of students and promote them to participate in MicrobioLogical contest (Bio-aptitude assessment), MicrobioSlate (Narrative writing aptitude), MicrobioCanvas (Creative art aptitude assessment) and MicrobioWorkshop (Interactive presentation aptitude assessment) by providing required assistance to improve their academic performance.

We witnessed your student centric approach to motivate Microbiology and Biotechnology students. We appreciate the incessant and enthusiastic efforts by you.
