

## **Institutional Core Values**

**Fundamental beliefs i.e. Core values of our institute are in accordance with its vision and the mission which focus on the overall development of the students in turn society through curriculum and extension activities, teachers, supportive staff and so on.**

### **Quality**

**Our first and foremost aim is to maintain the quality in all the academic and administrative activities. To attain the said aim, we give prominence to quality in the facilities we provide on and off the campus; in the programs we organize; and the services we offer. We strive to promote the incessant process of bringing improvement. We focus on the creative efforts and the innovative steps to make the teaching-learning more effective and productive as well as the extra-curricular activities to bring out the best from the learners. The institute believes in and encourages the principle of collective effort to carry out any task. We are committed to the attainment of excellence in all that what we do through the quality initiatives.**

### **Honesty**

**We firmly believe in the principle of honesty and accordingly we try our level best to maintain it in all the sections of the institute. The institute emphasises on the accomplishment of teaching objectives within the stipulated period for better and effective learning outcomes. In addition, we provide best possible facilities and services to the students of institute to motivate them for being more active and creative to do something innovative and productive.**

### **Dedication**

**We are dedicated to the vision and the mission of the institute. Following which, the institute strives to provide quality higher education to the students of Lakhandur region through the use of innovative, creative, ICT enabled, scientific, more modern and moderately traditional methods and approaches for effective and result-oriented teaching-learning process with full dedication.**

### **Assurance**

**We give the assurance of fulfilling the needs and demands of the people of the region in which the institute is located. We are committed to the attainment of fruitful learning**

outcomes and hence we incessantly carry on the process of assessment of the learning experiences of the learners about the academic programs run by the institute. We resolutely profess to work for the betterment and promising career of our students.

## **Honour**

We sincerely hold faith in the principle of honour to all directly or indirectly associated with our institution. We are often eager to receive suggestions and recommendations from the stakeholders regarding any issue related with the development of the institute. The employees of the institute get full honour in all respects from the top management to the bottom level sections of the institute. The students are also treated in a friendly manner by the employees of teaching and non-teaching staff.

## **Inculcation of Co-operative Attitude**

We believe that co-operation is the real strength and accordingly we try our best to instil this spirit among our students for their bright future.

## **Unity in Diversity**

Our institute holds full faith in unity in diversity. There are students and staff members from different caste, creed and religion in our institute but a very commendable and model rapport is maintained among all of them. Not a single incident of any differences or disagreement among the staff members and the students of our institute is reported so far in our institution and this underlines our true faith in the principle of Unity in Diversity.
