

Result and Details of Students Satisfaction Survey

2019-20

The survey in Session 2019-20 was conducted offline due to low response of students on google survey forms because of poor internet connectivity in this remote/tribal area where our college is situated. The participating students had female (64%) and male (36 %) participants from all faculties. Most of the respondents were from UG courses (77%) while from PG were 12%. The questionnaire had questions related to coverage of syllabus where respondents gave answer for 68-70 percent coverage while about preparedness of teachers' 80% of respondents answered as thorough to satisfactory. The students remarked on the question of communication ability as effective (53%) and teachers approach to teaching excellent to very good (63%). Students rated on the aspect of evaluation by teachers as fair (55%) while on discussion of assignments with students (65% as every time). On the role of institution in promoting internship, student exchange, field visit opportunities students gave a percent of 50% as regular while regarding teaching and mentoring process facilitating students' cognitive, social and emotional growth the 77% of respondents ranked it as significant to very good. Regarding follow-up of assignments by teachers, 56 % students responded positively. Students on the question of teachers informing students for expected competencies, course outcomes and programme outcomes, 56% respondents answered it as regular. Students also responded positively that teachers illustrate concepts through examples and models or demonstrations. Students also positively answered that teachers identify strengths (74%) and encourage with different challenges to improve the learning (66%). Students agreed upon that Institution and Teachers are engaged in continuous quality improvement (56%) and mostly use student centric methods (57%). Regarding extracurricular activity, 76% of students agreed on motivation by teachers and 80% responded positively for development of soft skills and life skill improving employability. Further, Students also remarked that teachers use of ICT and related tools (55%) which helps in improving overall quality of teaching-learning process. Students were also upraised of improving their IT skills so that can remain connected on internet through various tools and survey forms.

Yashwantrao Chawhan Arts, Commerce & Science College, Lakhandur, Distt. Bhandara, Maharashtra - 441803

Guidelines for Students :

NAAC (National Assessment and accreditation council) is conducting a Student Satisfaction Survey regarding Teaching – Learning and Evaluation, which will help to upgrade the quality in higher education. A student will have to respond to all the questions given in the following

Instructions to fill the questionnaire

- All questions should be compulsorily attempted.
- Each question has five responses, choose the most appropriate one.
- The response to the qualitative question no. 21 is student's opportunity to give suggestions or improvements; she/he can also mention weaknesses of the institute here. (Kindly restrict your response to teaching learning process only)

*Required

NAAC - Student Satisfaction Survey (Attempt the following survey)

A. Participant (Student) Details (write or tick ✓ at appropriate places)
