The learning experience I had at the college has been useful in my career and present life.			
The developments at the college in the recent years are appreciative.			
The alumni should play a positive role in the development of the college.			
The executive body of Alumni Association along with the college should take initiatives to efficiently enroll and strengthen the Alumni Association.			
5 The Alumni can willingly contribute to the development of the college?			
Alumni may be invited to deliver a guest lecture/ training or motivational session in the college, if interested.

### Teachers Feedback Analysis 2022 - 2023

We received feedback from 29 teachers on their respective subject syllabus. The feedback forms have been designed with the help of Google forms and shared with the teachers through social media groups. They were asked to submit their responses to a set of twelve statements on a 5-point Likert Scale in which choices range from Strongly Agree (1) to Strongly Disagree (5). The feedback thus received was then analyzed by the Committee and shared with the Principal, IQAC and the faculty for discussion. The analysis of the feedback is given Statement-wise and is as follows:

**Statement 1:** The Depth of the syllabus content is adequate to have substantial learning results – majority of the teachers i.e. 59.3% agreed with the statement while 33.3% teachers strongly agreed and 7.4% teachers were uncertain while 0% teachers disagreed and strongly disagreed.

**Statement 2:** Course is adequate to fill the gap between modern life- challenges and academics – in this 85.2% teachers agreed while 48.8% teachers strongly agreed. 0% teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 3:** The syllabus can be covered within the stipulated period as per the plan – majority of teachers i.e. 63% agreed with the statement while 29.6% teachers strongly agreed. 7.4% teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 4:** The units/sections in the syllabus are appropriately arranged in a proper sequence – majority of teachers i.e. 63% agreed with the statement while 33.3% teachers strongly agreed. 3.7% teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 5:** The recommended textbooks are sufficient and based on the syllabus – 70.4% teachers agreed while 25.9% teachers strongly agreed. 3.7% teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 6:** Sufficient reference material and books are available for the topics mentioned in the syllabus – 66.7 % teachers agreed while 29.6 % teachers strongly agreed. 7.4% teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 7:** The text/resources are interesting and successful in the classroom -70.4% teachers agreed while 29.6 % teachers strongly agreed. 0% teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 8:** The learning objectives are as per the needs of the students – 70.4% teachers agreed while 29.6 % teachers strongly agreed. 0% teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 9:** The text/resources are sufficient for the preparation of lessons – 70.4% teachers agreed while 29.6 % teachers strongly agreed. 0% teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 10:** The text/resources are appropriate for my student's level - 74.1 % **teachers** agreed while 22.2% teachers strongly agreed. 3.4 % teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 11:** The prescribed experiments arouse the interest of pupils in subject & enhance their understanding - 66.7% teachers agreed while 29.6% teachers strongly agreed. 3.7 % teachers were uncertain while 0% teachers strongly disagreed and disagreed.

**Statement 12:** The practical's helps to develop experimental, design, problem solving and analysis skills of the students - 48.1% teachers agreed while 44.4% teachers strongly agreed. 7.1 % teachers were uncertain while 0% teachers strongly disagreed and disagreed.

### Structured Feedback Received from Students on Design and Review of Syllabus

### ANALYSIS OF STUDENTS FEEDBACK REPORT 2022-23

The feedback is taken from 324 students from Arts, Commerce and Science streams. The feedback forms have been designed with the help of Google forms and shared with the students through social media groups. They were asked to submit their responses to a set of thirteen statements on a 4-point Scale with different choices. The feedback thus received was then analysed by the Committee and shared with the Principal, IQAC and the faculties for discussion. The analysis of the feedback is given Statement-wise as follows:

**Statement 1**: The syllabus of each subject was – majority of the students i.e. 51.54% found the syllabus challenging while 40.74 % found it adequate.
