S.N.	Description	Amount (Rs.)
1.	<b>One Time Setup Cost</b> <ul style="list-style-type: none"><li>• Setup, Configuration &amp; Implementation</li><li>• Functional Alignment</li><li>• Data Migration from Standard Excel Format</li><li>• SMS &amp; Email Integration</li><li>• Best Training &amp; Service Support Online</li><li>• Maintenance &amp; Support</li></ul>	25,000 + GST
2.	<b>Per Student Per Subject Online Examination</b>	30/-+ Taxes

**Payment Milestones**

- 100% Setup Cost with Purchase Order
- 80% of Per Student Per Subject testing on Mock questions
- 20% of Per Student Per Subject within one week from Last date of Conduct of Examination

**Configurations & Changes**

- Since this is a Cloud System designed with Experience of 2000+ Institutions and considering the set standards for modules. No Changes will be done in this short time. However, the Most of the requirements of the college will be fulfilled with the solution offered.
- Institute Data Privacy will be respected by MasterSoft and Solution IPR will be respected by the Institute to be defined in SLA.

**Terms, Conditions & Challenges**

- Any Hardware required for onsite support is not included in the proposed costs.
- Train the trainer model will be adopted. MasterSoft will give detailed training to a team of 8-10 Team members of the College. In turn the subsequent training to faculty, staff & students will be extended by this college team.

- As per requirement, we will also support through online tools from our Head Office for extending our best support.
- In Covid-19, there is no on-site support.
- Institute will ensure that the key personnel are available during initial Demonstrations and Training Sessions at Unit Level to be organized Centrally and at Institute Level
- Since the success depends mainly on internet bandwidth at student end, there can be few students who may not complete the test due to internet or any other reasons. College needs to keep ready second & third question set ready for any such failures due to any Technical reasons.
- Similarly the time available for training & implementation is very less. There can be some understanding issues from College team or there can be rare challenges from MasterSoft. Under all circumstances, MasterSoft will give necessary solution. However all the College Users & authorities also need to keep patience, understand the challenge & help us in solving the situation.
- Student will have chance of re-test for any technical issue. This fact must be informed to all your students well in advance. So he will not create unnecessary panic.
- The Expert team of the college to whom we have trained should be available to students during the Exams for guiding them for any Technical issue.
- MasterSoft – with experience **STRONGLY** suggest that committee with subject knowledge should select the final questions manually instead of System randomization. It will hardly take 30 mins to do so for a paper. This will ensure that students are getting a well scrutinised exam paper with nearly zero errors.
- Users need to follow all the instructions given by MasterSoft for success of the Exam.

Yours Sincerely

The screenshot shows two screens of the MasterSoft mobile application. The left screen is a login page with a Microsoft Cloud logo, the email address SOC\_1211ADMIN@SES.COM, a password field, a 'Remember Password' checkbox, and a 'LOGIN' button. The right screen is a dashboard for a 'SOCIETY USER' named 'NA' on 17/10/2016. The dashboard displays the default college as 'R. C. PATEL INSTITUTE OF TECHNOLOGY' and 'R. C. Patel Institute of Pharmaceutical Educatio..'. It also lists 'R.C.PATEL POLYTECHNIC SHIRPUR'. A menu on the right includes options like 'Admission', 'Fees', 'Outstanding Fees', 'Dashboard', 'Mark Attendance', 'Change Password', and 'Logout'. At the bottom, there are two cards for 'Academic' and 'Non-Academic' details.

The screenshot shows a data dashboard in the MasterSoft mobile application. It features a donut chart showing '2618 Total Student' with a legend for 'Admission' and 'Fee' across sessions 2014-2015, 2015-2016, 2016-2017, and 2017-2018. Below the chart is a map of India with a scale bar from 0 to 1894. To the right, there are two bar charts. The top chart, titled 'SubCourse Level', shows student counts for BA TAMIL (120), BA ENGLISH (432), BBA (100), and BACHELOR OF COMME (180). The bottom chart, titled 'Course Level', shows student counts for UG (2333), PG (200), DP (0), D (0), and M.Phil (0).

## E-GOVERNANCE POLICY

In today's world of information, communication and technology, our institute is committed to provide advanced and latest amenities to ensure easy and fast services to all the stakeholders including students, teachers and non-teaching staff with regard to examination, student admission and support along with administration and finance & account. Most of the databases and information need to be maintained in electronic form. To ensure quality and timely governance and prompt services to all the stakeholders, the institute has hired ERP Solutions to carry out different tasks and works of various departments, units, committees, cells and sections.

ICT tools are used to transfer, and analyse information in the institutional administration for admission, examination, result etc.

ICT is used for various purposes such as management of the data related to students, employees and administration.

Most of the manual tasks have been made digital enabling the institute to maintain the huge data and information easily and effectively with minimum use of paper under e-governance.

Under e-governance it has been quite convenient for the institute to handle account and finance in a systematic and efficient way with more accountability and transparency.

The college library has been partially automated and digitalized with quality software ensuring smooth and prompt operation.

E-governance facilitates easy and fast communication among the different stakeholders of the institute.

To enhance the competence of administrative staff for using various ICT tools to ensure efficient e-governance, the institute organizes the workshops and training programmes to train the staff members.
