Teachers Feedback Analysis 2022 - 2023

We received feedback from 29 teachers on their respective subject syllabus. The feedback forms have been designed with the help of Google forms and shared with the teachers through social media groups. They were asked to submit their responses to a set of twelve statements on a 5-point Likert Scale in which choices range from Strongly Agree (1) to Strongly Disagree (5). The feedback thus received was then analyzed by the Committee and shared with the Principal, IQAC and the faculty for discussion. The analysis of the feedback is given Statement-wise and is as follows:

Statement 1: The Depth of the syllabus content is adequate to have substantial learning results – majority of the teachers i.e. 59.3% agreed with the statement while 33.3% teachers strongly agreed and 7.4% teachers were uncertain while 0% teachers disagreed and strongly disagreed.

Statement 2: Course is adequate to fill the gap between modern life- challenges and academics – in this 85.2% teachers agreed while 48.8% teachers strongly agreed. 0% teachers were uncertain while 0% teachers strongly disagreed and disagreed.

Structured Feedback Received from Students on Design and Review of Syllabus

ANALYSIS OF STUDENTS FEEDBACK REPORT 2022-23

The feedback is taken from 324 students from Arts, Commerce and Science streams. The feedback forms have been designed with the help of Google forms and shared with the students through social media groups. They were asked to submit their responses to a set of thirteen statements on a 4-point Scale with different choices. The feedback thus received was then analysed by the Committee and shared with the Principal, IQAC and the faculties for discussion. The analysis of the feedback is given Statement-wise as follows:

Statement 1: The syllabus of each subject was – majority of the students i.e. 51.54% found the syllabus challenging while 40.74 % found it adequate.

Statement 2: Academic ability to understand the course was – majority of students i.e. 53.40% found it more than adequate, 34.57% found it simply adequate while 1.85% agreed that it was inadequate and 10.19% stated as unable to say.

Statement 3: The Understanding level of the course was -21.30% students found it Manageable while 61.73% students found it as convenient, 12.96% students found it difficult while 4.01% stated it as very difficult.
